

Preferences

The Preferences dialog box contains four tabs:

- The **General** tab includes preferences for **Locale, Measurements, Colors, Screen Cache Size, Folder Locations, Regional Versioning,** and **Color Mapping.**
- The **Die Settings** tab includes preferences for **Snap Artwork to Die, Bleed, Import Die Filters, Size Based On,** and **Multiple Die Align.**
- The **Substrates** (formerly: **Press Sheet**) tab includes preferences for [Automatically Sized Substrates](#) and [Flexo Plates](#).
- The **Marks** tab includes preferences for [excluding colors from use in marks](#).
