

Distortion ruler marks

Distortion ruler marks ensure that compensation was applied to adjust images for plate wrap or plate shrinkage. There are four sizes of distortion ruler marks.

- **DistRule-in10.pdf** (10 in.)
- **DistRule-in20.pdf** (20 in.)
- **DistRule-mm200.pdf** (200 mm)
- **DistRule-mm400.pdf** (400 mm)
